# MAKING LIFELONG DISCIPLES IN FAMILIES

Moses said to the people after the giving of the law: *"Hear, O Israel: The LORD our God, the LORD is one. Love the LORD your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up."* **Deuteronomy 6:4-7**

This was a word for Moses' time but it's also a word for us as we live as disciples of Jesus. And this is saying that Christian parents really matter. While Sunday kids ministry plays a role, it's only ever a support act to what parents can actually do with their own kids as they open the word together, talk about God together, and pray as a family.

Perhaps a pattern of intentional discipleship is a new thing for you as a parent - if so, we hope you find this material a good starting point. Or maybe you've got your own thing going already - that's OK, this material isn't meant to replace what you're doing. We want you to use what works for your family. This Guide offers a variety of activities where you can pick and choose one or two things that work for your kids.

Families have generally found that certain times in the day tend to work best for bible and prayer, depending on the stages of life kids are in. For your family it might be best to open up the bible together around breakfast time, or maybe after dinner or before kids go to bed

## JULY 13-18

Welcome to Exodus. This story picks up where Genesis left off. Joseph (from special multi-coloured coat fame) has died, a new Pharaoh is on the throne and he has no idea who Joseph was. God's people have been living in Egypt and are now slaves of Pharaoh. They are worked hard by the new Pharaoh who doesn't like the fact that these foreign people are growing into a huge family. God has been following through on his promises to Abraham of a large family but the Israelites are not in the promised land. Exodus is the beginning of the epic story of God's rescue of His people out of Egypt. This is all part of God's rescue plan for all time being fulfilled in Jesus.

**PRAY** - Pray that we can be an example to others of how to love and trust Jesus every day.

# REMEMBER OUR REDEEMER

Exodus is the great redemption event in the Old Testament, that is, God taking action to rescue his people out of slavery. To help us think about our ultimate redeemer Jesus, you might to have a go at a catechism with your kids. Catechism comes from the greek 'katechein' – 'to teach orally' and in earlier centuries it was a standard way to teach children and new members of a church. A catechism would usually come in the form of questions and answers to help with memorisation. Recently, the 'New City Catechism' was released and you can buy the book or get the app. In using this Catechism throughout our Exodus series, you might think of ways to make the memorisation task fun for your kids.

## THOUGHTS TO MAKE YOUR HEART SING | CHANGED!

*How can I come to God? – someone is saying – I've been too bad!*

*Remember those Great Heroes in the Bible – Moses, King David, and Saint Paul? Guess what they all had in common.*

*Big beard? Well, yes. (after all, it was Bible times.) But what else?*

*They were always good? No.*

*They were always courageous? No.*

*They were all – every last one of them – murderers.*

*If God can transform such terrible sinners – if he can take Moses and turn him into a great leader, if can take David and turn him into a great king, if can take Paul and turn him into a great preacher – what might he do with you?*

## JULY 20-25

We're introduced to Moses, the very unwilling leader. Moses is met by God in the famous burning bush and He instructs Moses that he is the one to lead God's people out of slavery. It takes a lot of convincing and an incredible conversation between Moses and God. Finally Moses heads back to Egypt to confront Pharaoh about letting the Israelite people go free. Moses leads God's people out of slavery in Egypt but Jesus gives us a way out of our slavery to sin.

## THOUGHTS TO MAKE YOUR HEART SING | GLORIFY!

God tells us to glorify him. "Glorify" means "to make a big deal of." When someone makes a big deal of you, it fills up your heart with joy.

But why does God need us to make a big deal of him? Why does he need us to get joy?

He doesn't. In the beginning God the Father and Jesus, his Son, together with the Holy Spirit, were already there—a loving family, glorifying each other in this wonderful Dance of Joy.

No. God didn't create us so he could get joy—he already had it.

He creates us so we could share in it.

He knows it's the thing your heart most needs to be happy. When God says, "Glorify me!", he's really saying, "Be filled with Joy!"

He's inviting us into his Forever Happiness.

The Israelites are made to work extra hard. They start to cry out to Moses and Moses calls out to God asking what to do. After reassurance from God, Moses is instructed to go Pharaoh and ask that God's people be set free. "Let my people go" Moses says to Pharaoh. "NO", replies Pharaoh. 2. What words in 6:6-8 would have been comforting to Moses?

2. Can you spot the things that are the same in each plague and also the things that change?
3. What does this part of the bible tell us about how God deals with those who are rebellious to Him and those who are faithful? *(God has to deal with sin. In Pharaoh's case, he was sending him plagues leading up to the plague of death. God has to deal with our sin too, but Jesus has taken the punishment for us)*

**PRAY** - Pray for willingness to listen to God and to be obedient to what He might ask us to do

.....

### ► DAY 3 - EXODUS 9:10-21, 27-28, 33-35, EXODUS 10:12-29

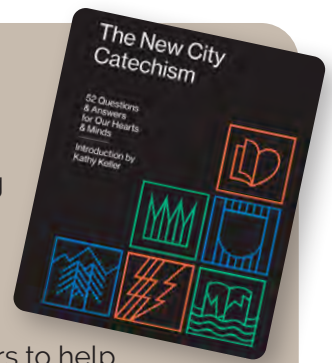

1. Can you name all the plagues so far in the story? Maybe draw a picture of each one to help you remember.
2. How can we see in the way that Pharaoh behaves that there is a difference between asking for forgiveness and repentance? *(Pharaoh's 'sorry' was not really heartfelt. It was a temporary cry to fix the problem not a heart change of repentance towards God)*
3. What do you think God wants people to know about Him? *(He is a just and faithful God who seeks obedience and relationship with His people)*

**PRAY** - How are you at repenting and being truly sorry for your sin? Pray to Jesus about that

*Why are people usually unhappy?*

*David Martyn Lloyd-Jones said it's because people are listening to themselves instead of talking to themselves.*

*When you wake up in the morning, you can listen to whatever your thoughts are telling you—maybe they are reminding you of something bad you did the day before, maybe they are making you scared of something you have to do tomorrow. You can listen and feel horrible.*

*Or you can talk back. You can remind yourself of what is true, and who you are, and who God is and what he has done.*

*You can say something like:*

***"Why am I discouraged? Why is my heart so sad? I will put my hope in God!"*** Psalm 42:11

*Are you listening to yourself today... or talking to yourself?*

*From 'Thoughts to Make Your Heart Sing',

# REMEMBER OUR REDEEMER

Exodus is the great redemption event in the Old Testament, that is, God taking action to rescue his people out of slavery. To help us think about our ultimate redeemer Jesus, you might to have a go at a catechism with your kids. Catechism comes from the greek 'katechein' – 'to teach orally' and in earlier centuries it was a standard way to teach children and new members of a church. A catechism would usually come in the form of questions and answers to help with memorisation. Recently, the 'New City Catechism' was released and you can buy the book or get the app. In using this Catechism throughout our Exodus series, you might think of ways to make the memorisation task fun for your kids.

## Q&A

**Q: Why must the Redeemer be truly God?**

**A: That because of his divine nature his obedience and suffering would be perfect and effective.**

### THE ONE IMPOSSIBLE THING

*Nothing is impossible for God. God can do ANYTHING. He can calm a storm! Stop the sun! Make a pathway through the sea!*

*Is there anything God can't do?*

*Just one thing.*

*Ever stop loving you.*

*[God says,] "You are precious in my eyes, and honoured, and I love you." Isaiah 43:4 (ESV)*

**[Jesus said,] "This is my blood, which confirms the covenant between God and his people" Matthew 26:28 (NLT)**

The background of the page is a composite image. The upper portion shows a dark night sky filled with stars, with the Milky Way galaxy visible as a bright, hazy band of light stretching across the frame. The lower portion shows a desert landscape with rolling sand dunes in shades of orange and brown, illuminated by a low light source, possibly the moon or a low sun, creating soft shadows and highlights on the sand's surface.

***He led them out of Egypt  
and performed wonders  
and signs in Egypt, at

## AUGUST 17-22

God has rescued His people out of Egypt, led them through the Red Sea and the people have seen the Egyptians get swept away by the returning waters of the sea. God has rescued them from their slavery in an amazing way. They have seen God's judgement on Pharaoh and the people of Egypt with the last plague and they have been protected by the lamb's blood. But the people are very quick to forget what God has done for them and they start to complain to Moses. Instead of asking God to provide for them the people complain and forget what God has done.

### BUT WE MISS OUR ONIONS!

*God's people were slaves in Egypt. So God rescued them.*

*God had divided the sea. He'd moved a cloud. He'd sent a pillar of fire. He'd given them water from a rock and rained down bread from heaven.*

*And still his people didn't trust him. "God hates us" they said.*

*God had saved their lives and they said, "But we miss our onions!"*

*Sometimes we're like those ungrateful people*

*grumbling in their tents about onions. That's what sin is – not seeing that every single thing we have is a gift from God. It's why God tells us to be always thanking him.*

*Why does he need us to thank him?*

*He doesn't. But we do.*

*You see, God knows it will fill our hearts with joy.*

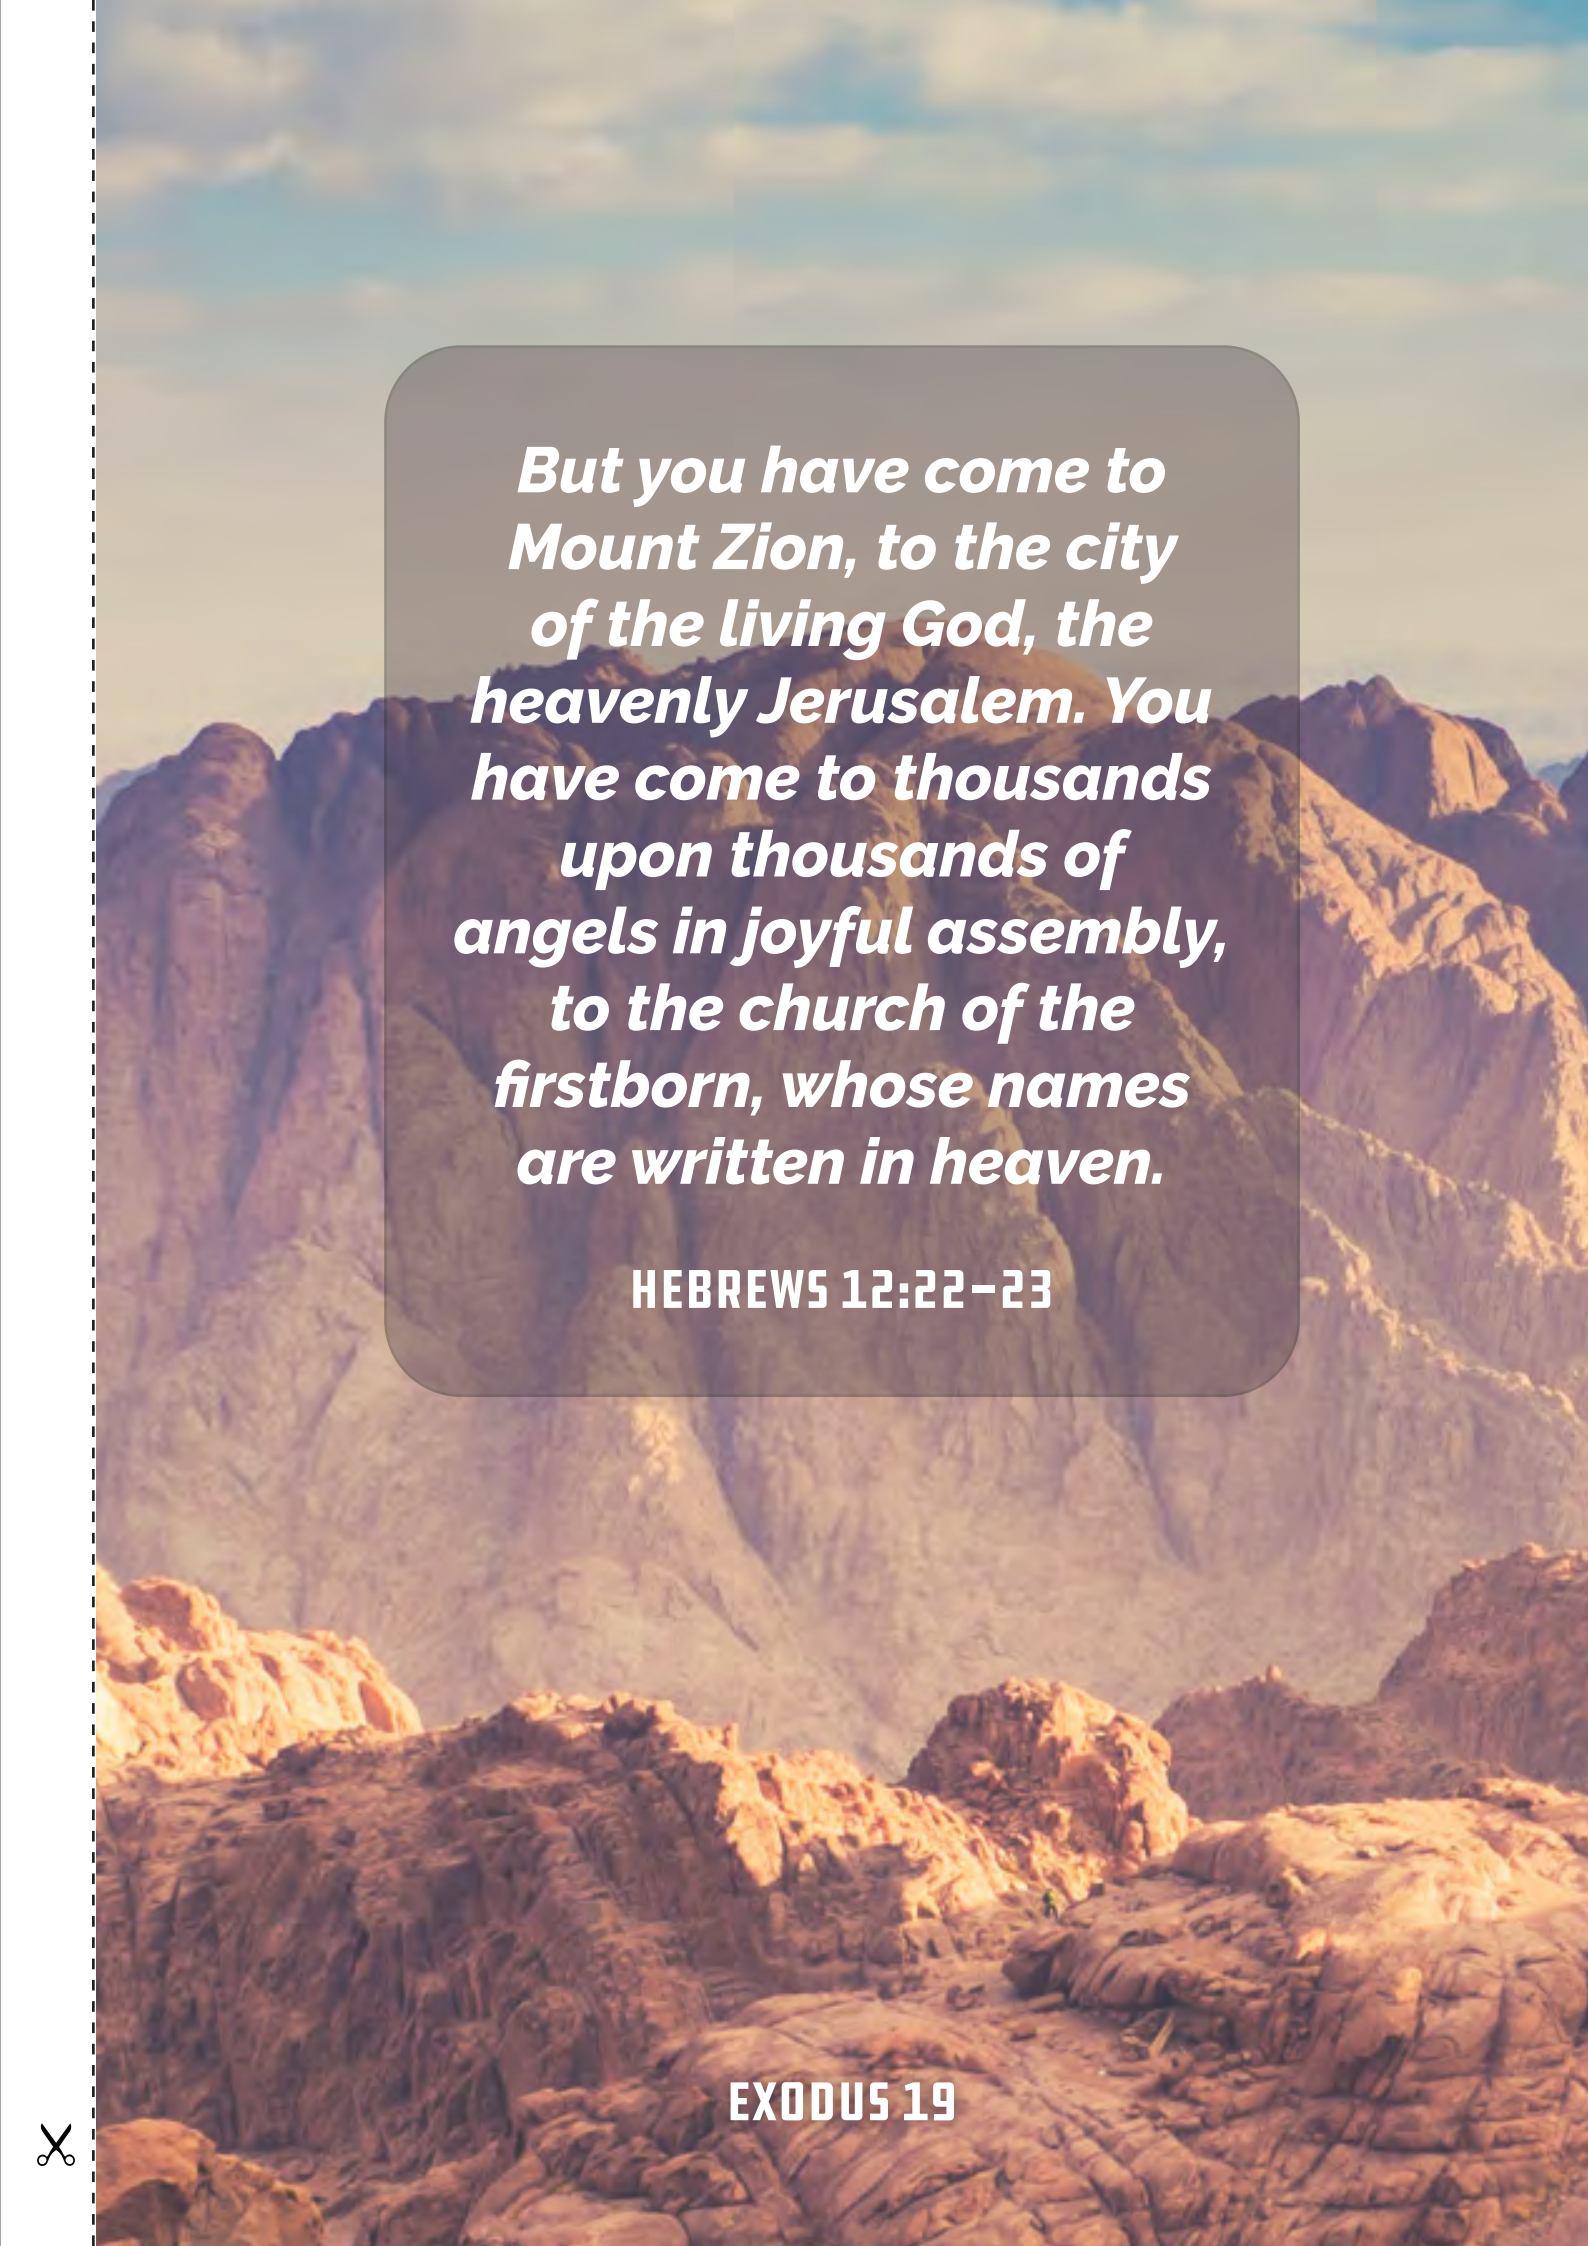

**"Give thanks to the Lord, for he is good"**

Seeing God's presence in the form of a cloud and thunder and lightning on a mountain? Did you know that when you trust and follow Jesus you have God living in you? And because of Jesus, you can talk to God directly? It's called prayer! How cool is that!!!

# REMEMBER OUR REDEEMER

Exodus is the great redemption event in the Old Testament, that is, God taking action to rescue his people out of slavery. To help us think about our ultimate redeemer Jesus, you might to have a go at a catechism with your kids. Catechism comes from the greek 'katechein' – 'to teach orally' and in earlier centuries it was a standard way to teach children and new members of a church. A catechism would usually come in the form of questions and answers to help with memorisation. Recently, the 'New City Catechism' was released and you can buy the book or get the app. In using this Catechism throughout our Exodus series, you might think of ways to make the memorisation task fun for your kids.

## Q&A

**Q: What happens after death to those not united to Christ by faith?**

**A: They will be cast out from the presence of God, into hell, to be justly punished, forever.**

## THOUGHTS TO MAKE YOUR HEART SING | NO BIRD'S NESTS!

*Sometimes bad thoughts just land in your head from nowhere. Is having an awful thought a sin?*

*When Jesus was tempted in the desert, Satan whispered awful thoughts and lies to Jesus to tempt him away from God.*

*It's not the thoughts that count; it's what we do with those thoughts. Jesus didn't listen to those awful thoughts. He didn't believe them.*

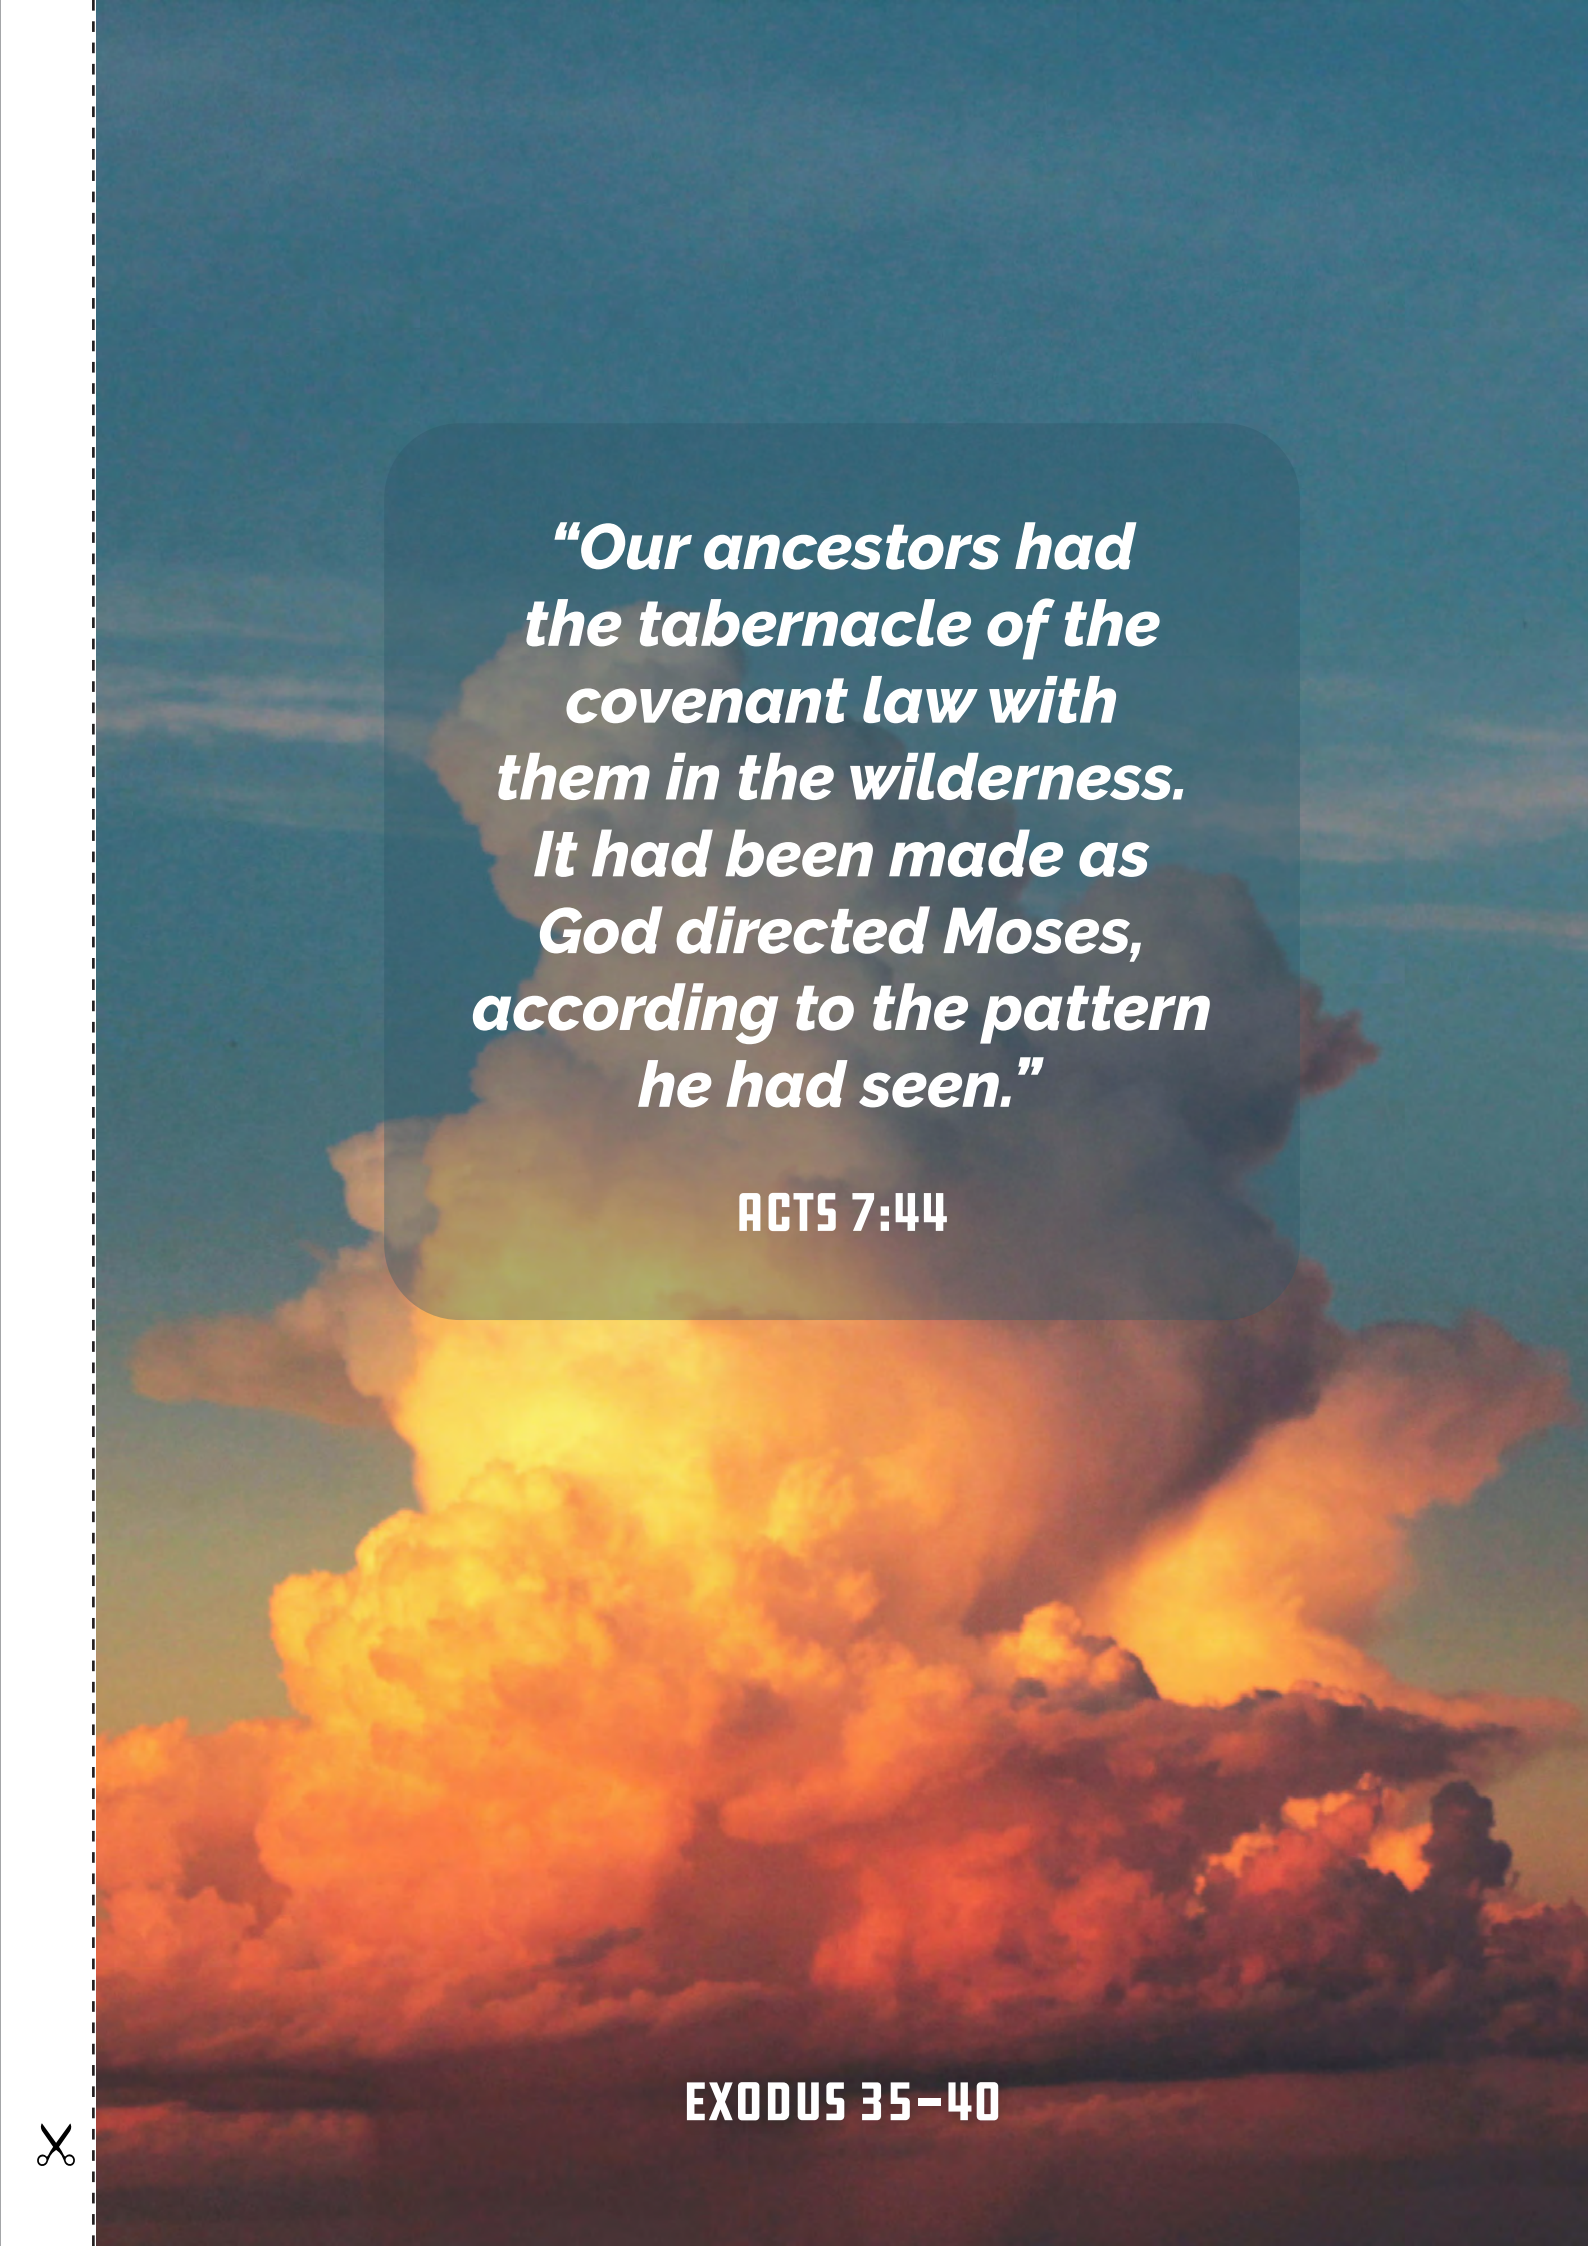

*He sent them away.*

*An old proverb says, "You can't help it if birds come and land on your head. But you don't have to let them build nests in your hairs!"*

**"We take captive every thought to make it obedient to Christ." 2 Corinthians 10:5 (NIV)**

It had been made as

# EXODUS 35-40

## SEPTEMBER 28 - OCTOBER 3

Here we are at the end of Exodus. The highlight of all these chapters this week is that the Tabernacle is complete and God descends in the form of a cloud and dwells with His people. As you read the verse in John have a think about how incredible it is that we have Jesus living in and with us. We don't need a special tent to meet with God because Jesus has given us a way to be right before God so we can meet with God where ever we are. Thankyou Jesus.

## THOUGHTS TO MAKE YOUR HEART SING

**ALL! EVERYTHING!  
ALWAYS!**

God told Moses to go and see Pharaoh. But Moses was too shy and had a stutter and didn't think he could. Do you ever feel like that? That you can't do what God asks you to do?

Wait. Whoever said anything about what you can do?

God turned Moses into a great leader and through him changed the world!

Are you worrying about anything today? Does something seem to big for you? Then God makes you his All-Everything-Always Promise:

**"All the time, in everything, I am always sending you everything you need so you can always do all I ever ask you to!"**  
2 Corinthians 9:8 (paraphrase)

It doesn't matter who you are or what you can do.

It matters who God is and what he can do.

And he can do ANYTHING!
