It was an even better idea than...

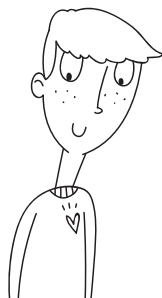

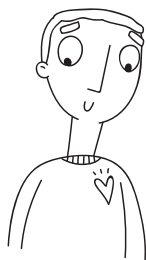

Draw your own good idea in this space.

Draw your own good
idea in this space.

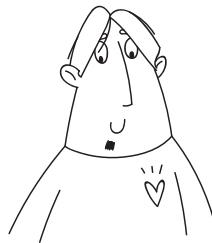

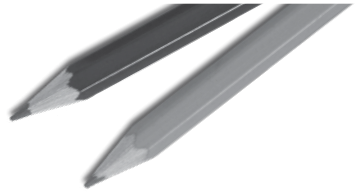

God's idea was to make **PEOPLE**...
lots of people... lots of different people...
who would all enjoy loving him and
all enjoy loving each other.

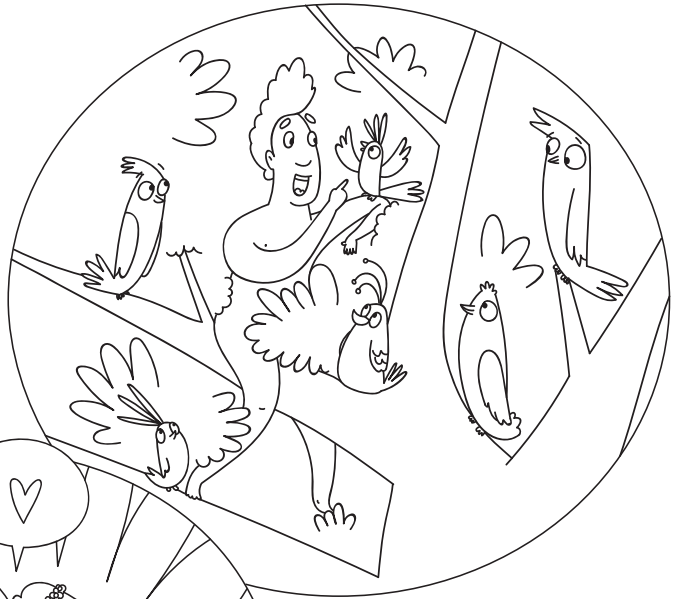

Draw yourself
here!

Complete the picture by drawing lots of different people on these pages.

So God got
to work.

He **MADE** a
beautiful world for
people to live in.

Then he made the first
people – a man and a woman.

This activity sheet is based on the book *God's Very Good Idea*, part of the *Tales That Tell the Truth Children's* book series.

Every book in this series features beautiful illustrations and engaging story-telling that captures young imaginations but always remains faithful and true to the biblical text. Which means that adults will love these books as much as the kids they are reading to!

There's a series of board books, perfect for toddlers, or storybooks for children 3-6 which go deeper in to the richness of each story. There are also activity books (which this is a small part of) which are great for inspiring creativity as well as FREE lesson plans for a selection of books in the series which help parents teach the story to children.
